## DAY & NIGHT DESIGNING ASSETS

## YEARS USED

- Adobe Photoshop
- Adobe Illustrator
- Adobe After Effects
- Adobe Light Room

- 4 years
- 2 years
- 3 years
- 1 year

## SKILLS

## FRONT END DEVELOPER & DESIGNER

### JavaScript

I am very skilled with JavaScript because it is my first software language. Fully experienced with DOM manipulation, functions and constructing algorithms to provide businesses with efficient solutions. One event is where I made **an interest rate calculator** for a relative and **saved** her **several countless hours** for **calculating an interest rate** for her clients by plugging only **one number** and getting a result with *my solution*.

### Responsive Web Design

I know how responsive web design meaning each website made will look similar and will be sized for each individual device such as phones, tablets and desktops. It will look perfect in each device to make sure the site will be fluid in all devices.

## EDUCATION

## SCHOOL

Montebello High School - Graduating in 2019  
Overall GPA 3.56 - Class Rank #102  
Math Level: Algebra 2, 2019 will be Precalculus  
Bilingual in Spanish & English. Know how to write, read, & talk both.
